

Hello everyone,

Enfield NAS Summer Holiday Programme

Welcome to our Summer Holiday Programme 2018.

Day out to Aldenham Country Park SEN Playground: We have booked 20 tickets and are selling these at a subsidised price for an 'all day' entry ticket for children with autism and their siblings. **Join us on Saturday, 4th August.**

Archery and Kayaking at Herts Young Mariners Base: something for the older kids/young people (11-18 years). We are running two 2-hour sessions ... choose archery or kayaking or both 😊. **Fun happens on Saturday, 18th August.**

Trip to Paradise Wildlife Park: we have made a block booking and are further subsidising a trip to this popular local wildlife park. **Join us on Wednesday, 22nd August.**

Special Private Steaming at the Chingford and District Model Engineering Club: once again our friends at Chingford and District Model Engineering Club are offering us a relaxed opportunity to ride on the trains. Fun for all, especially the train enthusiast amongst us! **Pop it in your diaries for Sunday, 2nd September.**

Take a look at the attached calendar for our full programme and details of each event.

Best wishes,

Sophie and the ENAS team

Accept difference. Not indifference.
