

Herts Young Mariner's Base Activities

*These activities are offered to the parents/carers and children of the
Enfield Branch of the National Autistic Society*

As part of our summer programme we are pleased to be able to offer our young people the chance to have a day out doing a mix of outdoor activities at the Herts Young Mariners Base (HYMB). The base offers a variety of land and water based activities, such as climbing and caving, canoeing and kayaking. The tutors have plenty of experience of working with children with additional needs, including autism.

We have chosen two outdoor activities that the HYMB has to offer, Archery and Kayaking. These activities are open to 11-18 year olds with Autism/Asperger Syndrome and their non-autistic siblings* provided they meet the minimum age requirement. (*Please note that if we are heavily oversubscribed for these activities we reserve the right to request that young people with autism are given priority for places.)

Meeting place/Venue: Herts Young Mariners Base, 231 Windmill Lane, Cheshunt, Herts EN8 9AJ
Time/Dates: Saturday, 18th August 2018: 10am to 12 noon and 1 pm to 3pm.
Price: £5 per participant, per session

Please provide a packed lunch if you are doing both sessions.

There is parking available on site. The site is at the end of Windmill Lane, past Cheshunt mainline train station on right, over the railway crossing. The road bears round to the left. As you approach, note there are two site entrances adjacent, left is the youth hostel, on right is the Mariners Base. Alternatively the venue is easily walkable (5 mins approx) from Cheshunt railway station on the West Anglia main line.

Please book the activities that appeal to your young person, either archery or kayaking, or both. There is no requirement to be able to swim to take part, buoyancy aids are provided and must be worn. However, the young person participating needs to be confident in water, as they may get wet! For that reason all participants should bring a complete change of clothes, towel and spare shoes, no matter which activity they take part in, just in case! Please indicate on the form if your young person does not swim.

You may wish to visit the HYMB website www.hymb.com for more details. A visual explanation of the activities is shown at www.hymb.com/groups/teachers-information/activities/.

In case of questions please contact Sophie Castell on 07903 420016, but also a representative at the base is happy to speak to parents in advance if you have any specific questions about the activities and suitability.
Tel: 01992 628403 or email hymb@hertfordshire.gov.uk.

Please note parents/carers, you need to be able to bring and pick up your child from the base.

Places will be allocated on a **FIRST COME FIRST SERVED BASIS** on receipt of booking form and payment. No reservations will be accepted over the phone. Please note, if you book, we expect you to turn up on the day!

To book, please complete and return the attached booking form with a cheque for the activities you have selected at **£5 per participant, per activity**. The booking form and cheque, payable to: **'The National Autistic Society Enfield Branch'**, should be sent to **Sophie Castell, 58 Melbourne Avenue, N13 4SX**. If you wish to book, please return the form by 11th August 2018.

For office use
