Enfield NAS @ Aldenham Country Park

As a special summer treat, we are organising a visit to Aldenham Country Playground and Small Animal Petting Area. We suggest the visit finishes with a picnic, so bring lunch. There is a kiosk that sells snacks but it can be busy so if queuing is difficult we recommend bringing your own food and drinks. As there is limited public transport to Aldenham we are organising a coach to transport participants from Enfield Town on Sunday morning. If you prefer to travel independently, there is plenty of parking at Aldenham but you do have to pay £4.50/vehicle/day. Children of all ages are welcome to this event. Please visit the Aldenham Country Park website to see the wonderful variety of activities that are available.

For further information and to book a place, please see separate flyer and booking form or call Seema on 07871 726587.

Special Private Steaming at the Chingford and District Model Engineering Club

We hope you will join us for a return visit to our friends at Chingford. We suggest you arrive around 12.30 and bring a picnic lunch. Between 1pm and 2pm, you and your children can ride the model steam and diesel trains as many times as you like free of charge. After 2.00 the railway is open to the general public and you will have to queue and pay like everyone else. For those who have not been before, Ridgeway Park has plenty to offer – play equipment for all ages and a vast open field for kicking a football about or flying a kite. If you intend to come, please let us know in advance so we can put you on our list of participants. If the event is very well attended, those on the list will be given priority.

Please email Emma at emma@enfieldnas.org.uk or text/call her on 07842 438147.
