Welcome to two hours of autism-friendly family fun! This is a chance for children of all ages to play and parents/carers to relax and meet with other parents/carers. We will provide healthy snacks, tea, coffee and soft drinks. Somerford Grove Adventure Playground is designed by kids for kids and offers outdoor and indoor play for young people. Children can make dens, run, climb, slide and enjoy other play and creative activities. There are also quieter areas to escape to if needed. Indoors we have craft materials and board games for kids to enjoy.

This is a play session organised exclusively for children with autism or Asperger Syndrome and their siblings and the gates will be locked for safety during the session only opened to let our members in or out. There will be 2 play-workers to help, but **parents/carers must stay on site and are responsible for their own children at all times.**

There is no need to book just come along. There is no entry fee, but we do suggest a donation of £2 per child attending to help cover some of our costs. Adults attend free!

**NB: You may wish to bring a change of clothes for children enjoying the sand and wet play – changing facilities available on site.**

If you are coming by car please park in one of the surrounding side streets. Construction work at the Tottenham Football Ground means you may need to approach Somerford Grove Playground via Northumberland Park and Northumberland Grove into Park Lane. Please consult a map before making the journey.

**It is requested that you don't take photos during the session to protect the privacy of those attending.**
